MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Furnishings and Equipment for [REDACTED]

25X1A2g

25X1A2g

1. The Office of Training proposal for furnishing and equipping [REDACTED] has been carefully reviewed in relation to the OTR Fiscal Year 1960 budget. It is concluded that the proposed expenditure can be absorbed within the present allocation of the Office of Training. We cannot, at this time, concur in the proviso of paragraph b.b. that funds will be made available from other Agency sources should OTR have financial difficulty later in the fiscal year. The Comptroller's Office should be advised, as soon as possible, if it appears that the Office of Training will not be able to absorb the entire additional cost.

2. While the furnishings may be considered somewhat luxurious, we feel that this is a matter for administrative decision.

E. R. SAUNDERS
Comptroller
